

PEMBROKE UNIT FUND

For cancer and blood disorders

The Pembroke Unit at Salisbury District Hospital is the specialist treatment centre for people with cancer, blood disorders and haematological conditions from across south Wiltshire, north and east Dorset and west Hampshire.

Donations to the Pembroke Unit Fund help provide the best for our patients by enabling us to treat them more quickly and more effectively. They fund the latest equipment, improve facilities on our ward and day care suite and enable nursing staff to receive the latest specialist training.

You can help us to continually improve treatment and care for local people with cancer and haematological conditions by supporting the Pembroke Unit Fund.

You can: ***make a donation, take part in one of our sponsored events, place a collection box in your home or workplace or organise your own fundraising activity.***

We are always grateful to those who remember us in their wills or make donations in lieu of flowers at a loved one's funeral.

President: The Earl of Pembroke
